

S.P.J.S.T. Assisted Living Residents Enjoy Country Music Entertainers

Paul Schlesinger, Bill Dowdy, and Ray Tesmer spent the afternoon entertaining residents and guests with their talents on January 27, 2013, at the S.P.J.S.T. Assisted Living Community in Taylor, Texas. Paul and Bill were recently inducted into the Gatesville Country Music Hall of Fame and both recognized as Entertainers of the Year. Ray Tesmer

has been a member of the Western Swing Hall of Fame since October 2005. The residents, some of the musicians biggest fans, surprised them with cake and punch to celebrate their accomplishments following their performance.
